# DS-MAX SUKRUTH

Ongoing Residential Apartments Project

Our emphasis is the quality way of living, which reflects our construction methods and all the materials and products used throughout DS-MAX projects. A wide range of fittings and fixtures that complies with the highest standards, durability, affordability and elegance

## RERA Registered Project with Ground + 4 Floors : 312 Units

DS-MAX Sukruth is surrounded by a serene location with beautiful landscaping and wide and open areas. Situated right at the heart of Iggalur, off Hosur – Bangalore highway, is an exquisite habitat with Safety, Connectivity, and Appreciation.

DS-MAX Sukruth offers you a peaceful and tranquil lifestyle. Thoughtfully designed homes with natural lighting in all corners of the house, excellent ventilation, and are loaded with wide and spacious balconies.

## Salient Features

Futuristic and serene location, with best-in-class connectivity to other pockets of the city

It is built on an ample stretch of land, a Stilt+4 structure with 312 units.

Luxurious amenities include a Swimming Pool with Toddler's Pool, Gymnasium, Children's Play Area, Party Hall, Power Backup etc.

It is surrounded by famous Educational Institutions and IT & Non-IT companies.

Ten minutes drive from the proposed metro station.

Loan Approved by all Major Banks.
